

Dave Lennox *Signature*[®] Collection CBX32MV Variable Speed Air Handler

Quiet operation

- » **Variable speed blower motor** runs normally at low speed, delivering quieter operating sounds along with maximizing efficiency and increasing the effectiveness of filters

Home comfort

- » **Variable speed motor** allows superior ramp-up control in heating mode, eliminating "cold blow" for added comfort
- » **Evenheater[®] supplemental heater** option for greater comfort
- » **Improved humidity control**

Environmentally responsible

- » **Chlorine-free R-410A refrigerant** provides exceptional comfort without exacting a costly environmental toll

Reliable performance

- » **Quality you can trust** – designed with reliable, time-tested components
- » **Includes delta plate knockout for easy installation** of a Healthy Climate[®] germicidal light
- » **Antimicrobial drain pan** resists the growth of mold and mildew
- » **Meets Florida standard** for less than 2% air leakage from units
- » **10-year limited warranty** on covered components

Optimize your system

- » **icomfort[™]-enabled electronics** – allow the CBX32MV to exchange information with other icomfort-enabled components and make adjustments to optimize performance

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.
