

# Elite® Series G50 Gas Furnace

## Quiet operation

» **Fully insulated** for quiet, efficient operation

## Home comfort

» **Low-speed, continuous fan setting** allows quiet, consistent comfort

## Energy efficiency

» **80% AFUE** efficiency rating can save you hundreds of dollars each year, compared to older furnaces

» **Dual-fuel** – For optimal comfort and efficiency, the G50 can be combined with an electric heat pump to create a dual-fuel system. This combination minimizes heating costs by seamlessly alternating between the two energy sources, depending on outdoor conditions.

## Reliable performance

» **Quality you can trust** – designed with reliable, time-tested components

» **SureLight® control board** delivers starting reliability

» **20-year limited warranty** on heat exchanger

» **5-year limited warranty** on covered components\*

*Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.*

\*This product may be eligible for valuable 10-Year Limited Extended Parts Warranty coverage.
