

Dave Lennox *Signature*[®] Collection XC21 Air Conditioner

Quiet operation

- » **The most quiet and efficient central air conditioner you can buy***
- » **Approximately 13 times quieter** than a standard air conditioner
- » **SilentComfort™ technology** delivers the ultimate in quiet, consistent cooling

Home comfort

- » **Two-stage scroll compressor runs** at low speed most of the time, which means it's less expensive to operate and provides more consistent comfort

Energy efficiency

- » **Up to 21.00 SEER** – efficiency ratings are nearly twice those of a standard air conditioner
- » **ENERGY STAR® qualified**** – meets or exceeds EPA guidelines for energy efficiency

Environmentally responsible

- » **Chlorine-free R-410A refrigerant** provides exceptional comfort without exacting a costly environmental toll

Reliable performance

- » **Quality you can trust** – constructed of heavy-gauge, pre-painted steel and tested in the most extreme environments to ensure maximum durability
- » **10-year limited warranty** on compressor and covered components

Optimize your system

- » **SunSource™ solar-ready design** – allows you to maximize energy-savings by integrating one to 15 solar modules
- » **icomfort™-enabled technology** – allow the XC21 to exchange information with other home comfort system components and make adjustments to optimize performance
- » Optimized for use with the exclusive **Humiditrol® whole-home dehumidification system****

As testament to the efficient performance of the XC21 it has earned the ENERGY STAR label, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

Choosing an ENERGY STAR qualified product like the XC21 can improve your comfort, while also helping you save energy and money. For other ways to make your home more efficient, visit ItPaysToLiveSmart.com.

30% of the cost of SunSource solar modules, including installation, may be offset by government tax credits. You may also receive up to a \$1500 tax credit for the solar-ready air conditioner featured on this page. Consult your tax advisor for more information.

COLLECTION

XC21

The most quiet and efficient central air conditioner you can buy*

*A combination of sound ratings established per AHRI's test standard: 270; and efficiency ratings established per AHRI's test standard: ANSI/AHRI 210/240-2005.

**Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR criteria. Ask your Lennox dealer for details or visit www.energystar.gov.

***Must be accompanied by either a variable speed air handler or furnace and the icomfort™ Touch or ComfortSense® 7000 Series touchscreen thermostat.

Note: Always verify actual system efficiencies through AHRI or by visiting the AHRI ratings database at www.ahridirectory.org.

This page is for summary purposes only. Please refer to Lennox product literature for full details.
